Parallel Avocats represented Jump in its €4m Seed round led by Index Ventures with the participation of prominent angel investors.

Jump is engaged in a mission of helping independent workers to thrive and get stability by offering access to permanent contracts, as well as invoicing, payroll, benefits, compliance and accounting tools through a fully-automated operating system.

This financing round will help Jump consolidate its presence in France before expanding abroad.

The Parallel Avocats team was led by Jérémie Aflalo (partner) and included Awa Yaffa (associate).
