

Parallel Avocats represented HomeToGo in the acquisition of AMIVAC

Parallel Avocats represented HomeToGo (Frankfurt Stock Exchange: HTG), the marketplace with the world's largest selection of vacation rentals, in the acquisition of AMIVAC, a vacation rental business unit of Groupe SeLoger, which operates the French brands amivac.com, vacances.com and vacances.seloger.com

The acquired brands operated by AMIVAC provide subscription listing services for both homeowners and professional agencies, which will contribute to growth for HomeToGo's Subscription & Services platform.

The Parallel Avocats team was led by Jérémie Aflalo (partner) and included Awa Yaffa (associate).
