About Parallel Avocats - Client testimonials

“Creative and hardworking.”

“Pleasant to work with, available, smart and bold.”

“Total availability of teams, great responsiveness, great professionalism, efficiency, pugnacity until the end of the deals”

About our Regulatory & Litigation practices

“The multi-disciplinary team at Parallel Avocats AARPI assist a diverse client base, comprising many companies at the forefront of the latest technologies such as Web3, AI and blockchain. The firm is well equipped to handle a range of mandates, including advising clients on regulatory issues.”

“Parallel Avocats is really strong in handling court cases, especially for digital companies facing legal issues. Their team goes the extra mile to understand the client’s business. They bring to the table a deep understanding of the legal challenges digital innovators face. A prime choice for clients.”

About our Corporate practice

“An agile team, on a human scale, close to its customers, their issues and the challenges of their markets.”

“Jérémie Aflalo – incredibly technically competent, true business sense, fine negotiator, professional and pleasant communication, great responsiveness. Problem-solver.”
