

## Parallel Avocats advised Diffusely in its €11m financing round

Parallel Avocats has advised Diffusely in its €11m financing round led by Alven, Eurazeo and Prime Ventures, with the participation of 50 Partners.

Formerly known as Meero, Diffusely develops visual AI solutions enabling businesses — notably in automotive, fashion and e-commerce — to produce professional-grade visuals at scale. The funding will strengthen its position in the visual AI market and finance new innovations.

The Parallel Avocats team that advised Diffusely comprises Jérémie Aflalo (partner) and Candice Daull (associate).
