

Parallel Avocats advised AgenZ in its \$5m Seed financing round

Parallel Avocats has advised AgenZ on the U.S. law aspects of its \$5m Seed financing round led by Breega, Attijariwafa Ventures and Saviu Ventures.

Founded in 2021 by Malik and Badr Belkeziz, AgenZ is Morocco's leading proptech: its platform brings together market data, AI-powered valuation tools and real estate transaction services for individuals and professionals alike. Its website Agenz.ma surpassed 730,000 monthly visits in May 2026. The funding will support team growth, technology investment and the company's expansion in Morocco and internationally.

The Parallel Avocats team that advised AgenZ comprises Jérémie Aflalo (partner).
